HUMAN RIGHTS

In compiling the recommendations on the following reports we have given full consideration to all aspects of the Human Rights Act 1998 in relation to the applicant and/or the occupiers of any affected properties. In particular, regard has been had to Article 8 of the ECHR (Right to respect for private and family life, home and correspondence); Article 1 of the First Protocol (Right to the use and enjoyment of property) and the requirement to ensure that any interference with the right in this Article is both in accordance with the law and proportionate. A balance needs to be drawn between the right to develop land in accordance with planning permission and the rights under Article 8 and also Article 1 of the First Protocol of adjacent occupiers. On assessing the issues raised by the applications no particular matters, other than those referred to in the reports, warrant any different action to that recommended.

EQUALITY ACT 2010

In considering this matter, full consideration has been given to the need to comply with the Public Sector Equality Duty under the Equality Act 2010 and in particular to the obligation to not only take steps to stop discrimination, but also to the promotion of equality, including the promotion of equality of opportunity and the promotion of good relations. An equality impact assessment has been carried out and it is considered that the Council has fully complied with the legal requirements.
