From what I have seen, Mouchel do seem to offer the best value for money and I think they would be the better option out of the three.

Phil/Zeya

Further to our meeting last Thursday, 26 November, about the proposed Hackney Carriage Demand Survey, could you please confirm that, having considered the three proposals submitted, you were of the opinion that the proposal by 'Mouchel' appeared to offer the best value for money and was your preferred option for the survey.

Could you please respond as soon as possible as we wish to move this as soon as possible.

John
