- Sign and date the declaration in section 8 along with the new keeper.
- Keep a record of the new keeper's name and address.

If you do not get an acknowledgement letter from us phone DVLA Customer Enquiries on 0300 790 6802, as you could be liable for the vehicle and may get a penalty and/or be prosecuted. If you are deaf or hard of hearing and have a textphone, phone 0300 123 1279.

Your name and/or address details

- If the registered keeper details in section 1 are wrong or you want to change your name or address fill in section 6, sign the declaration and return the whole certificate to DVLA, Swansea, SA99 1BA. You, the registered keeper, must:

- Give the date of the sale or transfer and the name and address of the motor trader on the front of this section.
- Sign and date the registered keeper's (seller's) part of the Declaration in this section. (The motor trader must also sign and date the Declaration.)
- Tear off this section and send it to us at DVLA, Swansea, SA99 1BD.
- Give the motor trader the rest of the Registration Certificate.

If you do not tell us that you have sold or transferred the vehicle, you will continue to be liable for it even though you no longer have it.

Failure to tell DVLA may result in a fine or prosecution.

We will send you an acknowledgement letter confirming that you are no longer the registered keeper. We will do this within 4 weeks. If you do not receive this letter, phone DVLA Customer Enquiries on 0300 790 6802 as you could still be liable for the vehicle and you may get a penalty and/or be prosecuted. - motor vehicle insurer with whom you have settled a claim
- motor vehicle dismantler (salvage dealer), or

There is more information on the website at www.direct.gov.uk/vehicletax

Buyer beware...

For more information on checking your Registration Certificate and buying a vehicle go to www.direct.gov.uk/buyerbeware

11. Notification of permanent export

V5C/4

Only use this section if you are personally exporting this vehicle permanently (for more than 12 months).

Do not fill in this section if you are taking your vehicle to Northern Ireland, as we do not regard this as an export. You must take the whole V5C with you.

If you are exporting the vehicle you must:

- give the date the vehicle is being exported
- sign and date the Declaration in section 11
- send this section to us at DVLA, Swansea, SA99 1BD, and
- keep sections 1 to 8 of this certificate (the registration authorities of the country the vehicle is being exported to will need them)

If you are taking your vehicle out of the country for less than 12 months, or are selling privately to someone who does not have a Great Britain (GB) address see 'Your Registration Certificate (V5C) and you' (INS160) for advice.

There is more information on the website at www.direct.gov.uk/exportingyourvehicle

Your responsibilities as the registered keeper

The registered keeper is:

- responsible for making sure the vehicle is properly registered and taxed
- not necessarily the owner of the vehicle, and
- liable for the vehicle until we are told that it has been sold, transferred, scrapped* or exported.

You can use the Registration Certificate to tax your vehicle if you do not have a renewal reminder (V11 or V85/1). See 'Your Registration Certificate (V5C) and you' (INS160) for full details.

If you decide not to tax your vehicle, you must keep the vehicle off the public road and make a Statutory Off Road Notification (SORN).

We will automatically fine you if our records show that the vehicle is not taxed or no SORN has been made.

To make sure you are no longer responsible for the vehicle, you must fill in either section 8, 9 or 11 of this certificate.

Failure to tell DVLA of any changes may result in a fine or prosecution.

***Scrapping your vehicle**

You cannot use the V5C to tell us you have scrapped your vehicle.

You should take the vehicle to an Authorised Treatment Facility (ATF) and they should issue a Certificate of Destruction (CoD). If you do not receive a CoD immediately please fill in section 9 of the V5C and send to DVLA.

If you have broken up the vehicle yourself, you must either tax it or tell us you are keeping it off the public road by making a SORN, until you take it to an ATF or tell us you no longer have it.

More information is available on our website www.direct.gov.uk/atf

I certify that I am the buyer of the above mentioned vehicle at the price stated. I acknowledge receiving delivery. I am over 18 years of age. I have been advised the mileage recorded on the Mileage Recorder must be considered incorrect. A similarly worded disclaimer of the mileage, to that above *, was affixed to the Mileage Recorder when I viewed the vehicle. No oral representation whatsoever was made in respect of the accuracy of the recorded mileage, the vehicle condition or its fitness for any particular purpose.

I confirm that before I signed this certificate my attention has been drawn to the age of the vehicle (as shown by the date of the first registration or otherwise) and the fact that defects may be present, consistent with its age and condition. I understand that it is a term of the contract that I should examine the vehicle before signing this certificate to satisfy myself as to its quality and that I have carried out such an examination. In particular my attention has been drawn to the following items: Tyres • Bodywork and Paintwork • Glass and Accessories • Interior Trim and Upholstery • The general condition of the vehicle in relation to its age.

I agree to the terms and conditions set out in this invoice.

Dear Becky

I would like you to consider the application I have made to licence my Chrysler Grand Voyager, Reg no. DV55 ZPM, for use as a Private Hire / Chauffeur vehicle.

This vehicle is in excellent condition and cost in excess of £33,000.00 when it was new.

Many of our clients request 6 seater vehicles of this calibre because they are of a bespoke design and not a converted van with 7 seats.

This vehicle is available for inspection at anytime. See attachment for pictures of a similar vehicle.

I trust you will look on this application favourably.

Kindest regards

Aidie Baldie
