municipal years

2. 2013/14 complaints shown by service area

## 1.0 Purpose of Report

1.1 To consider statistics relating to complaints and compliments received by the Council between April 2013 and March 2014 and complaints made to the Local Government Ombudsman about the Council during the same period.

#### 2.0 Recommendations

- 2.1 The Audit and Governance Committee is asked to **RESOLVE**:
  - (a) That the report be noted; and
  - (b) Following consideration of the information contained in the report, to make any other recommendations it wishes to make.

# 3.0 Background and Key Issues

- 3.1 The Council has a process for dealing with complaints about its services and for receiving compliments and other comments. The Council's Complaints Policy and procedure is being reviewed at present and, following public consultation, is in the process of being finalised. When a revised Complaints procedure has been approved, training on how to use the procedure will be provided to relevant officers within the Council.
- 3.2 Any complaints received by the Council are recorded and monitored to ensure that we know whether or not we are meeting our targets for responding to complaints.
- 3.3 Appendix 1 contains a summary of the total numbers of complaints and compliments for each municipal year from 2010/11 onwards to enable the Committee to understand how the number of complaints and compliments received in 2013/14 compares with previous years.
- 3.4 Appendix 2 shows the complaints received in 2013/14 broken down by service area, together with the numbers of those complaints which are found to be justified or unjustified and whether the number of complaints is an increased or decrease on the previous year.

3.5 Where a complainant is dissatisfied with the Council's response to their complaint, they can refer the matter to the Local Government Ombudsman (LGO). In 2013/14, a total of 6 complaints were made to the LGO. The Ombudsman decided that 2 of the complaints were premature, and that a further 2 of the complaints should not be investigated. The remaining 2 complaints have been accepted by the LGO and are ongoing.

# 4.0 Alternative Options Considered

4.1 There are no alternative options relevant to this matter.

## 5.0 Reasons for Recommendations

5.1 The Audit and Governance Committee needs to be kept informed about the Council's performance in dealing with complaints as part of its governance role. Monitoring of complaint volumes, response times and services against which complaints are raised can help with early identification of issues that might need addressing or to identify service improvements.

## 6.0 Future Work and Conclusions

6.1 Information on complaints handling will continue to be recorded during 2014-15 for presentation to the Committee in June 2015.

## 7.0 Financial Implications

7.1 There are no financial implications arising from this report.

(Financial Services have not been consulted in the preparation this report.)

# 8.0 Legal Implications

8.1 There are no legal implications arising from this report.

(Legal Services have been consulted in the preparation this report.)

## 9.0 Risk & Opportunity Management Implications

9.1 Regular consideration of complaints enables the Council to ensure that its governance arrangements are appropriate and up-to-date.

#### 10.0 People Impact Assessment (PIA):

10.1 The PIA Screening Stage was completed and did not identify any potential or actual negative impact, therefore a full PIA was not required.

#### 11.0 Other Corporate Implications

#### Community Safety

11.1 There are no community safety implications.

#### Sustainability

11.2 There are no sustainability implications.

# Staffing & Trade Union

11.3 There are no staffing implications.

<sup>\*</sup> Direct comparison not possible because of service changes

# Direct comparison not possible due to changes in complaints processing

The above table shows a drop of 54 complaints against Amey this year which is a great achievement.

Customer Service saw an increase of 18 complaints. Following analysis ten of these complaints were for corporate/external organisations where the customer had reported the initial enquiry through us e.g. Highways, ASB team at GCH,. Security team at North Warehouse reception, Out of Hours Service, Civica re payment kiosk not working following break in. We did also see an increase in complaints for the face to face teams seeing customers in reception regarding waiting times and information given by some of our temporary staff who are no longer with us.

Parking shows a reduction of 14 complaints but following the transfer of certain car parks to Asset Management their complaints have risen by 14. This means that the number of parking complaints actually remained the same.
