Application for Street Trading Consent – OktaY Aslantepe

I refer to the above application for Street Trading Consent. The Council has completed its consultation and assessment process and I hereby advise that the decision of the Council is to REFUSE TO GRANT street trading consent for your proposal. The reasons for refusal are set out below:-

1. the unit is not compatible within the location it is situated
2. issues have been raised that there has been an increase in noise, smells, litter and late night disturbance and,
3. the Street Trading Unit is not complimentary to the ambiance and vitality of the location.

I do appreciate that you will be disappointed with the decision but can assure you that the decision has been made after thorough consultation and appraisal against the Councils formally adopted street trading criteria.

You do have the right of appeal against the decision. Members (Councillors) of the Licensing and Enforcement Committee will consider any appeal that is lodged. If you wish to exercise your right of appeal, please submit your appeal in writing to me within 21 days of the date of this letter. Please note that late appeals will not be accepted. Your appeal should set out clearly the grounds on which you are appealing. I have enclosed a copy of the Councils criteria used in assessing applications for street trading consents and recommend that you address these criteria in your appeal.

Yours sincerely,

Richard Barnett
Licensing and Enforcement Officer
