

Summarised comments from the Consultation Questionnaire

Summary of Issue/Concern	Response
Six monthly updates on targets achieved would be valuable and an explanation when targets are missed	This has been noted and monthly meetings have been set up with market traders at Eastgate Indoor Market
What are the costs of the repairs to Eastgate Market and have these been discussed with the stall holders	Market traders from Eastgate Market have been informed of the costs for the repairs
Can this be benchmarked over the two years	This is reflected in the action plan
The current targets on the action plan have not been met	This has been noted and the action plan updated to reflect current targets
The appearance of Eastgate market needs to be improved	This has already been identified within the action plan
The council need to do more to fill the vacant stalls	It has been noted and the action plan amended to reflect this
A key to all markets is a thriving indoor market that is easily accessed. The current market is very poorly identified	This has been noted and the action plan amended to reflect this
The Council's agenda is to close the indoor market as soon as possible	The market strategy has been amended to reflect that a recommendation would be for a new modern market to be built
Could not a new market in the Kings Square area be included in the new development	Options for the cherry and white market is an action within the five year action plan
