FOR GENERAL RELEASE

1.0 Purpose of Report

- 1.1 The report introduces the Annual Report of the Audit and Governance Committee. The Annual Report sets out the work and achievements of the Council's Audit and Governance Committee during 2014/15.

2.0 Recommendations

- 2.1 Council is asked to **RESOLVE** that the Annual Report of the Audit and Governance Committee 2014/15 be approved.

3.0 Background and Key Issues

- 3.1 The preparation of an annual report by the Council's Audit and Governance Committee is recognised as good practice within both the public and private sectors.
- 3.2 This Annual Report, which details the work and achievements of the Audit and Governance Committee during 2014/15 was discussed, and approved, by the Audit & Governance Committee at its meeting held on 1st July 2015.

4.0 Alternative Options Considered

- 4.1 Consideration has been given to not producing an Annual Report, however this has been discounted because best practice from both the public and private sectors indicates that the audit committee should report directly to the governing body of the organisation. In the case of a local authority, the full Council.

5.0 Reasons for Recommendations

- 5.1 Best practice from both the public and private sectors indicates that the audit committee should report directly to the governing body of the organisation. In the case of a local authority, the full Council. This will assist in giving it independence from the executive and scrutiny functions, and in addition provides status and clarity to the role.

6.0 Future Work and Conclusions

- 6.1 In accordance with best practice the Audit & Governance Committee will continue to present an Annual Report to the full Council.

7.0 Financial Implications

- 7.1 None specific to the recommendation made in this report.

(Financial Services have been consulted in the preparation this report.)

8.0 Legal Implications

- 8.1 The legal basis for the operation of the Audit & Governance Committee is set out in the Appendix to the report, specifically section 1 “Background”.

(One Legal have been consulted in the preparation this report.)

9.0 Risk & Opportunity Management Implications

- 9.1 Good corporate governance requires independent, effective assurance about both the adequacy of corporate, operational and financial management and reporting, and the management of other processes required to achieve the organisation’s corporate and service objectives. These functions are best delivered by an audit committee, independent from the executive and scrutiny functions.

10.0 People Impact Assessment (PIA):

- 10.1 The PIA Screening Stage was completed and did not identify any potential or actual negative impact, therefore a full PIA was not required.

11.0 Other Corporate Implications

Community Safety

- 11.1 There are no community safety implications arising out of this report.

Sustainability

- 11.2 There are no sustainability implications arising out of this report.

Staffing & Trade Union

- 11.3 There are no staffing and trade union implications arising out of this report.

Audit & Governance Committee Annual Report 2014/15

1. Background

- 1.1 The original Audit Committee was established by the Council in May 2006. Whilst there is no statutory obligation in local government to have an Audit Committee, they are widely recognised as a core component of effective governance. In recent years there has been a significant amount of regulation and guidance issued in governance arrangements for private and public sector bodies, the common feature of governance arrangements being the existence of an Audit Committee.
- 1.2 As a result of the Localism Act 2011, which made fundamental changes to the system of regulation of standards of conduct for elected and co-opted Councillors, the Council agreed, in May 2012, to combine the roles of the Standards Committee and the Audit Committee and establish an Audit and Governance Committee. The transfer of responsibility from the Standards Committee to the Audit and Governance Committee necessitated changes to the Terms of Reference for the Audit and Governance Committee.
- 1.3 Good corporate governance requires independent, effective assurance about both the adequacy of corporate, operational and financial management and reporting, and the management of other processes required to achieve the organisation's corporate and service objectives. Effective audit committees help raise the profile of internal control, risk management and financial reporting issues within an organisation, as well as providing a forum for the discussion of issues raised by internal and external auditors.
- 1.4 The Terms of Reference for the Audit & Governance Committee are based on the Chartered Institute of Public Finance (CIPFA) guidelines as detailed in their publication 'Audit Committees – Practical Guidance for Local Authorities and Police (2013 Edition)'. A copy of the Terms of Reference can be found at Appendix 1 of this report.

2.0 Membership & Attendance

- 2.1 The Committee has enjoyed the benefit of a settled membership over the last couple of years, with only a small number of changes in membership. This has helped to build and retain the expertise within the Committee, which has led to the Committee being able to demonstrate that they are operating within a best practice framework.
