Dear Ian

Following on from our conversation earlier regarding your application to place an A-Board on the Highway.

We received comments from two consultees both noted the fact the A-Board would be placed on Kingsholm Road to advertise your premises in Alvin Street and that this would depart from our policy as follows:

- Signs or boards should be displayed either directly adjacent or in close vicinity to the premises (dependant on site location). Where premises are in a side street, advertising boards must not normally be placed remotely in the main street directing customers to the premises.

I appreciate that you will be disappointed with the Council's decision to refuse your application on this occasion, however, you may appeal the decision to the Council's Licensing & Enforcement Sub-Committee.

If you wish to appeal i would be grateful if you could let me know, by reply to this email will be fine, and i will arrange a hearing for as soon as possible, hopefully 3-4 weeks from now, this is dependent on Members availability to sit on the panel.

Kind regards
Becky
