## FOR GENERAL RELEASE

### 1.0 Purpose of Report

- 1.1 To inform Members of the Internal Audit activity progress in relation to the approved Internal Audit Plan 2019/20.

### 2.0 Recommendations

- 2.1 Audit and Governance Committee is asked to **RESOLVE** to:

- (1) Accept the progress against the Internal Audit Plan 2019/20;
- (2) Accept the assurance opinions provided in relation to the effectiveness of the Council's control environment comprising risk management, control and governance arrangements as a result of the Internal Audit activity completed to date; and
- (3) It is recommended that the Committee requests senior management attendance at the next meeting to provide an update on the actions taken in relation to the recommendations made in the Building Control Shared Service limited assurance report.

### 3.0 Background and Key Issues

- 3.1 Members approved the Internal Audit Plan 2019/20 at 11<sup>th</sup> March 2019 Audit and Governance Committee meeting. In accordance with the Public Sector Internal Audit Standards 2017 (PSIAS), this report (through **Appendix A**) details the outcomes of Internal Audit work carried out in accordance with the approved Plan.
- 3.2 The Internal Audit Activity Progress Report 2019/20 at **Appendix A** summarises:
- The progress against the 2019/20 Internal Audit Plan, including the assurance opinions on the effectiveness of risk management and control processes;

- The outcomes of the Internal Audit activity during the period November 2019 to December 2019; and
- Special investigations/counter fraud activity.

3.3 The report is the third progress report in relation to the Internal Audit Plan 2019/20.

#### **4.0 Social Value Considerations**

4.1 There are no Social Value implications as a result of the recommendation made in this report.

#### **5.0 Environmental Implications**

5.1 There are no Environmental implications as a result of the recommendation made in this report.

#### **6.0 Alternative Options Considered**

6.1 No other options have been considered as the purpose of this report is to inform the Committee of the Internal Audit work undertaken to date, and the assurances given on the adequacy and effectiveness of the Council's control environment operating in the areas audited. Non completion of Internal Audit Activity Progress Reports would lead to non compliance with the PSIAS and the Council Constitution.

#### **7.0 Reasons for Recommendations**

7.1 The role of the Audit Risk Assurance shared service is to examine, evaluate and provide an independent, objective opinion on the adequacy and effectiveness of the Council's internal control environment, comprising risk management, control and governance. Where weaknesses have been identified, recommendations have been made to improve the control environment.

7.2 The PSIAS require that the Chief Internal Auditor should report on the outcomes of Internal Audit work, in sufficient detail, to allow the Committee to understand what assurance it can take from that work and/or what unresolved risks or issues it needs to address.

7.3 Consideration of reports from the Chief Internal Auditor on Internal Audit's performance during the year, including updates on the work of Internal Audit, is also a requirement of the Audit and Governance Committee's terms of reference (part of the Council Constitution).

#### **8.0 Future Work and Conclusions**

8.1 In accordance with the PSIAS, and reflected within the Audit and Governance Committee work programme, Internal Audit Activity Progress Reports against the approved Internal Audit Plan 2019/20 are scheduled to be presented to the Audit and Governance Committee at the 9<sup>th</sup> March 2020 and 20<sup>th</sup> July 2020 meetings.

## **9.0 Financial Implications**

9.1 No financial implications as a result of this report

(Financial Services have been consulted in the preparation this report.)

## **10.0 Legal Implications**

10.1 Monitoring the implementation of Internal Audit recommendations assists the council to minimise risk areas and thereby reduce the prospects of legal challenge.

(One Legal have been consulted in the preparation this report.)

## **11.0 Risk & Opportunity Management Implications**

11.1 Failure to deliver an effective Internal Audit Service will prevent an independent, objective assurance opinion from being provided to those charged with governance that the key risks associated with the achievement of the Council's objectives are being adequately controlled.

## **12.0 People Impact Assessment (PIA) and Safeguarding:**

12.1 A requirement of the Accounts and Audit Regulations 2015 is for the Council to *'undertake an effective Internal Audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance'*. The Internal Audit Service is delivered by Audit Risk Assurance which is an internal audit and risk management shared service between Gloucester City Council, Stroud District Council and Gloucestershire County Council. Equality in service delivery is demonstrated by the team being subject to, and complying with, the Council's equality policies.

12.2 The PIA Screening Stage was completed and did not identify any potential or actual negative impact, therefore a full PIA was not required.

## **13.0 Community Safety Implications**

13.1 There are no Community Safety implications as a result of the recommendation made in this report.

## **14.0 Staffing & Trade Union Implications**

14.1 There are no Staffing & Trade Union implications as a result of the recommendation made in this report.
