1.	From Councillor Pullen to the Cabinet Member for Planning and Housing Strategy	What plans, preparations and arrangements are being made by the City Council to welcome and receive Ukrainian refugees into Gloucester?
Response:		
<p>Gloucester City Council manages international resettlement as part of the Strategic Housing Partnership on a countywide basis. We already have in place the mechanisms to support international resettlement and this will include Ukrainians as they begin to seek asylum. We are meeting this week as a partnership and with GARAS to ensure that we are in a good position to respond as soon as more details come from Government, we are also in contact with the MPs office and local Ukrainian organisations such as the Church and Ukrainian Association. The community of Gloucester have already shown great support for the Ukrainian people including those escaping their war torn Country and the City Council will also continue to work with the community and provide support and assistance to Ukrainian people arriving in our City.</p>
