## NOTES

### Disclosable Pecuniary Interests

The duties to register, disclose and not to participate in respect of any matter in which a member has a Disclosable Pecuniary Interest are set out in Chapter 7 of the Localism Act 2011.

Disclosable pecuniary interests are defined in the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012 as follows –

<u>Interest</u>	<u>Prescribed description</u>
Employment, office, trade, profession or vocation	Any employment, office, trade, profession or vocation carried on for profit or gain.
Sponsorship	Any payment or provision of any other financial benefit (other than from the Council) made or provided within the previous 12 months (up to and including the date of notification of the interest) in respect of any expenses incurred by you carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.
Contracts	Any contract which is made between you, your spouse or civil partner or person with whom you are living as a spouse or civil partner (or a body in which you or they have a beneficial interest) and the Council (a) under which goods or services are to be provided or works are to be executed; and (b) which has not been fully discharged
Land	Any beneficial interest in land which is within the Council's area.  For this purpose "land" includes an easement, servitude, interest or right in or over land which does not carry with it a right for you, your spouse, civil partner or person with whom you are living as a spouse or civil partner (alone or jointly with another) to occupy the land or to receive income.
Licences	Any licence (alone or jointly with others) to occupy land in the Council's area for a month or longer.
Corporate tenancies	Any tenancy where (to your knowledge) – (a) the landlord is the Council; and (b) the tenant is a body in which you, your spouse or civil partner or a person you are living with as a spouse or civil partner has a beneficial interest
Securities	Any beneficial interest in securities of a body where – (a) that body (to your knowledge) has a place of business or land in the Council's area and (b) either – i. The total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or ii. If the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, your spouse or civil partner or person with

whom you are living as a spouse or civil partner has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

For this purpose, "securities" means shares, debentures, debenture stock, loan stock, bonds, units of a collective investment scheme within the meaning of the Financial Services and Markets Act 2000 and other securities of any description, other than money deposited with a building society.

NOTE: the requirements in respect of the registration and disclosure of Disclosable Pecuniary Interests and withdrawing from participating in respect of any matter where you have a Disclosable Pecuniary Interest apply to your interests and those of your spouse or civil partner or person with whom you are living as a spouse or civil partner where you are aware of their interest.

### **Access to Information**

Agendas and reports can be viewed on the Gloucester City Council website: [www.gloucester.gov.uk](http://www.gloucester.gov.uk) and are available to view five working days prior to the meeting date.

For enquiries about Gloucester City Council's meetings please contact Democratic Services, 01452 396126, [democratic.services@gloucester.gov.uk](mailto:democratic.services@gloucester.gov.uk).

If you, or someone you know cannot understand English and need help with this information, or if you would like a large print, Braille, or audio version of this information please call 01452 396396.

### **Recording of meetings**

Please be aware that meetings may be recorded. There is no requirement for those wishing to record proceedings to notify the Council in advance; however, as a courtesy, anyone wishing to do so is advised to make the Chair aware before the meeting starts.

Any recording must take place in such a way as to ensure that the view of Councillors, Officers, the Public and Press is not obstructed. The use of flash photography and/or additional lighting will not be allowed unless this has been discussed and agreed in advance of the meeting.

### **FIRE / EMERGENCY EVACUATION PROCEDURE**

If the fire alarm sounds continuously, or if you are instructed to do so, you must leave the building by the nearest available exit. You will be directed to the nearest exit by council staff. It is vital that you follow their instructions:

- You should proceed calmly; do not run and do not use the lifts;
- Do not stop to collect personal belongings;
- Once you are outside, please do not wait immediately next to the building; gather at the assembly point in the car park and await further instructions;
- Do not re-enter the building until told by a member of staff or the fire brigade that it is safe to do so.

## **Copyright Notice for viewing documents via Public Access**

Planning application information submitted to the Council is protected by the Copyright Acts (Section 47, 1988 Act). You may only use material which is downloaded and/or printed for consultation purposes, to compare current applications with previous schemes and to check whether developments have been completed in accordance with approved plans. Further copies must not be made without the prior permission of the copyright owner. If you link to Public Access you have acknowledged that you have read, understood and agree to the copyright and other limitations.

Gloucester City Council reserve the right to remove or not display certain planning application information for the confidentiality or other reasons.

### **HUMAN RIGHTS**

In compiling the recommendations on the following reports we have given full consideration to all aspects of the Human Rights Act 1998 in relation to the applicant and/or the occupiers of any affected properties. In particular, regard has been had to Article 8 of the ECHR (Right to respect for private and family life, home and correspondence); Article 1 of the First Protocol (Right to the use and enjoyment of property) and the requirement to ensure that any interference with the right in this Article is both in accordance with the law and proportionate. A balance needs to be drawn between the right to develop land in accordance with planning permission and the rights under Article 8 and also Article 1 of the First Protocol of adjacent occupiers. On assessing the issues raised by the applications no particular matters, other than those referred to in the reports, warrant any different action to that recommended.

### **EQUALITY ACT 2010**

In considering this matter, full consideration has been given to the need to comply with the Public Sector Equality Duty under the Equality Act 2010 and in particular to the obligation to not only take steps to stop discrimination, but also to the promotion of equality, including the promotion of equality of opportunity and the promotion of good relations. An equality impact assessment has been carried out and it is considered that the Council has fully complied with the legal requirements.

## Agenda Item 5 - Land North of Rudloe Drive

### Highways

An additional consultation response has been received from the Highways Authority which provided suggested conditions for the proposed development. The request for a Travel Plan and Construction Management Plan condition have not been added as suggested as these were included in the original outline planning permission. There have also been some alterations to the wording of suggested conditions. Highways conditions relating to traffic calming measures and the completion of the proposed access parking and turning provision have been added to an amended list of conditions provided within this late material.

### Ecology comments on proposed lighting strategy

Lighting Strategy Details have been submitted in support of this application. However, Ecology require further amendments/ details and this element of the proposal remain outstanding. The lighting details for this proposed development have therefore been omitted from the reserved matters application and instead a condition will be added to this permission requiring the submission of lighting details to be submitted and approved prior to the occupation of the proposed dwellings.

### Materials condition

The wording of the proposed materials plan (condition 2) has been altered to only request the submission of materials details should the proposal require any alterations in materials to that already proposed within the application.

### Amended list of conditions

Proposed conditions for this development are as follows:

- Energy and Sustainability Statement 29.09.22 received on 02.09.2022
- Noise Assessment September 2022 received on 02.09.2022

## **Reason**

To ensure that the development is carried out in accordance with the approved plans and in accordance with the policies contained within the JCS.

## **Condition 2 (Materials details)**

All buildings and boundary features shall be constructed using the materials specified on the approved Materials and Boundaries Plan. Alternative materials may only be used if they have been first submitted to and approved in writing by the Local Planning Authority.

## **Reason**

To ensure that materials provide for a high quality development

## **Condition 3 (noise management)**

Prior to the occupation of the dwellings hereby permitted, the noise management measures set out in the noise assessment dated September 2022 shall be implemented and thereafter maintained for the duration of the use.

These measures being:

- Habitable rooms with windows facing onto Rudloe Drive road to be fitted with higher specification glazing and acoustically treated vents and bedrooms with

windows facing onto Rudloe Drive to have assisted ventilation to meet the requirements of ADO

- Higher specification glazing, acoustic vents and assisted ventilation within the bedroom windows to be provided within the two adjacent properties next to the Rose Tree Farm Public House

### **Reason**

To safeguard the amenities of future occupiers of the dwellings in accordance with Policy SD14 of the JCS.

### **Condition 4 (Archaeology)**

No demolition of development shall start within the area of the proposed sports pitch and play area until a written scheme of investigation of archaeological remains, including a timetable for the investigation, has been submitted to and approved in writing by the local planning authority. The scheme shall include an assessment of significance and research questions; and:

- a. The programme and methodology of site investigation and recording.
- b. The programme for post investigation assessment.
- c. Provision to be made for analysis of the site investigation and recording.
- d. Provision to be made for publication and dissemination of the analysis and records of the site investigation
- e. Provision to be made for archive deposition of the analysis and records of the site investigation
- f. Nomination of a competent person or persons/organisation to undertake the works set out within the Written Scheme of Investigation.

### **Reason**

To make provision for a programme of archaeological mitigation, so as to record and advance understanding of any heritage assets which will be lost.

### **Condition 5 (Archaeology)**

All demolition and development shall take place in accordance with the Written Scheme of Investigation of archaeological remains. This condition shall not be discharged until the site investigation and post investigation assessment has been completed in accordance with the programme set out in the Written Scheme of Investigation approved under condition 5, provision has been made for the analysis, publication and dissemination of results and archive deposition has been secured.

### **Reason**

To make provision for a programme of archaeological mitigation, so as to record and advance understanding of any heritage assets which will be lost.

### **Condition 6 (Waste Management Plan)**

No below or above ground development shall commence until a detailed site waste management plan or equivalent has been submitted to and approved in writing by

the Local Planning Authority. The detailed site waste management plan must identify:- the specific types and amount of waste materials forecast to be generated from the development during site preparation & demolition and construction phases; and the specific measures will be employed for dealing with this material so as to: - minimise its creation, maximise the amount of re-use and recycling on-site; maximise the amount of off-site recycling of any wastes that are unusable on-site; and reduce the overall amount of waste sent to landfill. In addition, the detailed site waste management plan must also set out the proposed proportions of recycled content that will be used in construction materials. The detailed site waste management plan shall be fully implemented as approved unless the local planning authority gives prior written permission for any variation

### **Reason**

To ensure the effective implementation of waste minimisation and resource efficiency measures in accordance with adopted Gloucestershire Waste Core Strategy: Core Policy WCS2 –Waste Reduction and adopted Minerals Local Plan for Gloucestershire Policy SR01.

### **Condition 7 (Details of the facilitating and management of recycling and waste)**

No above-ground development shall commence until full details of the provision made for facilitating the management and recycling of waste generated during occupation have been submitted to and approved in writing by the local planning authority. This must include details of the appropriate and adequate space and infrastructure to allow for the separate storage of recyclable waste materials. The management of waste during occupation must be aligned with the principles of the waste hierarchy and not prejudice the local collection authority's ability to meet its waste management targets. All details shall be fully implemented as approved unless the local planning authority gives prior written permission for any variation.

### **Reason**

To ensure the effective implementation of waste minimisation and resource efficiency measures in accordance with adopted Gloucestershire Waste Core Strategy: Core Policy WCS2 –Waste Reduction

### **Condition 8 (Dugout details)**

Notwithstanding the layout drawings already submitted, prior to the construction of the open space, full details of the design, materials and colour of the football pitch dugouts should be submitted to the Local Planning Authority for approval

### **Reason**

In the interests of visual amenity

### **Condition 9 Trees (footpath and proposed public open space)**

No excavation or construction works to the proposed footpaths within the main Public Open Space area shall commence until an Arboricultural Impact Assessment and Method Statement is submitted and approved, for working within the Root Protection Areas of the existing trees, which are protected by a tree preservation order. The RPA is defined in BS5837:2012. No excavation materials shall be deposited within the Public Open Space or under the canopies of any existing trees unless with the prior approval of the local authority tree officer.

#### **Reason**

To prevent damage to or loss of trees

### **Condition 10 Trees (footpath at north of the site)**

No excavation or construction works to the proposed footpaths at the north of the site (north west of plots 138 and 139) shall commence until an Arboricultural Impact Assessment and Method Statement is submitted and approved, for working within the Root Protection Areas of the existing trees. The RPA is defined in BS5837:2012. No excavation materials shall be deposited under the canopies of any existing trees unless with the prior approval of the local authority tree officer.

#### **Reason**

To prevent damage to or loss of trees

### **Condition 11 (Trees T44)**

No development shall take place within the Root Protection Area of Tree T44 until an Arboricultural Impact and Method Statement is submitted and approved, for working within the Root Protection Area of this protected tree. The RPA is identified in BS5837:2012. No excavation materials shall be deposited under the canopies of any existing trees unless with the prior approval of the local authority tree officer.

#### **Reason**

To prevent damage to or loss of tree T44

### **Condition 12 (Tree protection measures)**

The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved details specified in (Arboricultural Survey, Impact Assessment and Protection Plan (V1) V1 received on 02.09.2022) before any development including demolition, site clearance, materials delivery or erection of

site buildings, starts on the site. The approved tree protection measures shall remain in place until the completion of development or unless otherwise agreed in writing with the Local Planning Authority. Excavations of any kind, alterations in soil levels, storage of any materials, soil, equipment, fuel, machinery or plant, site compounds, latrines, vehicle parking and delivery areas, fires and any other activities liable to be harmful to trees and hedgerows are prohibited within any area fenced, unless agreed in writing with the Local Planning Authority.

**Reason**

To ensure adequate protection measures for existing trees to be retained, in the interests of visual amenity and the character and appearance of the area

**Condition 13 (Implementation of approved tree/ hedgerow planting scheme)**

All planting comprised in the approved details of tree/hedgerow planting shall be carried out in the first planting season following the occupation of any building or the completion of the development, whichever is the sooner. Any trees or hedgerows, which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation. If any trees or hedgerows fail more than once they shall continue to be replaced on an annual basis until the end of the 5 year period.

**Reason**

To ensure adequate provision for trees/hedgerows, in the interests of visual amenity and the character and appearance of the area.

**Condition 14 (Solar Panels)**

The development shall not be occupied until all dwellings constructed to Part L 2021 Building Regulation Standards have been fitted with solar panels, full details of which shall first be submitted to and approved in writing by the Local Planning Authority.

**Reason**

To provide sustainable development

**Condition 15 (Bin storage areas)**

Details of the design and appearance of proposed bin storage areas shall be submitted and approved in writing prior to the occupation of the proposed development.

**Reason**

To ensure the satisfactory appearance of the development

**Condition 16 (Traffic Calming)**

No occupation on the development hereby permitted shall take place until details of traffic calming measures (to include details of location and materials associated with

the traffic calming features) have been submitted to and approved in writing by the Local Planning Authority. The timing of the implementation of the agreed details shall be agreed by the Highways Authority.

**Reason**

In the interests of highway safety within the development

**Condition 17 (access, parking and turning)**

No dwelling hereby approved shall be occupied until the access, parking and turning facilities serving that dwelling have been provided as shown on the Site Layout Plan Plan (RDQUE MCB ZZ ZZ DR A 0230 P8)

**Reason**

In the interest of highway safety

**Condition 18 (Lighting Strategy)**

No dwelling hereby approved shall be occupied until an external lighting strategy to the development has been agreed by the Local Planning Authority and implemented.

The strategy shall include but not be limited to; clearly detailing the locations of proposed external lighting fixtures and the associated light spill that would be caused into adjacent habitats and locations of external lighting, any mitigation measures. Lighting shall only be operated in accordance with any required mitigation measures that are approved.

**Reason**

To mitigate any impact on ecology particularly habitats adjacent to the site.

**Note 1 (Highway to be adopted)**

The development hereby approved includes the construction of new highway. To be considered for adoption and ongoing maintenance at the public expense it must be constructed to the Highway Authority's standards and terms for the phasing of the development. You are advised that you must enter into a highway agreement under Section 38 of the Highways Act 1980. The development will be bound by Sections 219 to 225 (the Advance Payments Code) of the Highways Act 1980.

Contact the Highway Authority's Legal Agreements Development Management Team at [highwaylegalagreements@gloucestershire.gov.uk](mailto:highwaylegalagreements@gloucestershire.gov.uk). You will be required to pay fees to cover the Councils cost's in undertaking the following actions:

- Drafting the Agreement

- Set up costs
- Approving the highway details
- Inspecting the highway works

You should enter into discussions with statutory undertakers as soon as possible to co-ordinate the laying of services under any new highways to be adopted by the Highway Authority.

The Highway Authority's technical approval inspection fees must be paid before any drawings will be considered and approved. Once technical approval has been granted a Highway Agreement under Section 38 of the Highways Act 1980 must be completed and the bond secured.

### **Note 2 (Impact on the highway network during construction)**

The development hereby approved and any associated highway works required, is likely to impact on the operation of the highway network during its construction (and any demolition required). You are advised to contact the Highway Authorities Network Management Team at [Network&TrafficManagement@gloucestershire.gov.uk](mailto:Network&TrafficManagement@gloucestershire.gov.uk) before undertaking any work, to discuss any temporary traffic management measures required, such as footway, Public Right of Way, carriageway closures or temporary parking restrictions a minimum of eight weeks prior to any activity on site to enable Temporary Traffic Regulation Orders to be prepared and a programme of Temporary Traffic Management measures to be agreed.

### **Note 3 (No Drainage to Discharge to Highway)**

Drainage arrangements shall be provided to ensure that surface water from the driveway and/or vehicular turning area does not discharge onto the public highway. No drainage or effluent from the proposed development shall be allowed to discharge into any highway drain or over any part of the public highway.
