Decision Of	Cabinet		
Date of Decision	12 February 2020	Item No.	7
Title	Events and Festivals Plan 2020-21		
Report Of	Cabinet Member for Culture and Leisure (Councillor Steve Morgan)		
Report Author	Philip Walker, Head of Cultural Services		
Wards Affected	All Wards	Key Decision	Yes

DECISION:

RESOLVED that:

- (1) approval is given to the outline Civic Events Programme for 2020 set out in the table 1 Appendix A of the report to be managed by the City Council Cultural Services team
- (2) approval is given to support key city festivals and events programme 2020 as set out in table 2 Appendix A of the report
- (3) approval is given to allocate a proportion of the budget to create an innovation fund that supports the development of new and emerging events and festivals and talent in the city.

REASON FOR DECISION:

The recommendations of the MGL report were accepted by Cabinet on 15 January 2020.

The council is able to co-ordinate and deliver a festivals and events offer using in-house staff expertise and this budget resource.

The creation of an innovation fund will allow for the festival calendar to evolve in line with the ambitions of the Cultural Strategy.

This approach builds on the strengths of the festivals and programme in the city, whilst introducing new opportunity and ambition in line with the city's ambitions to become a future City of Culture.

Date of Decision	12 February 2020	Item No.	8
Title	Housing, Homelessness and Rough Sleeping Strategy 2020-2025		
Report Of	Cabinet Member for Communities and Neighbourhoods (Councillor Jennie Watkins)		
Report Author	Ruth Saunders, Head of Communities		
Wards Affected	All Wards	Key Decision	No
DECISION: RESOLVED that: (1) the result of the public consultation be noted (2) it is RECOMMENDED that the Housing, Homelessness and Rough Sleeping Strategy 2020-2025 be adopted.			
REASON FOR DECISION: <p>This is a well formed, evidenced and widely supported strategy which has the potential to support significant improvements for the City and our residents. Having a clear strategy helps to allocate resources effectively and allows clarity for our partners.</p> <p>In order to satisfy the requirements of the Ministry of Housing, Communities and Local Government (MHCLG), Gloucester City Council must have an adopted Homelessness Strategy in 2020 to serve 2020-2025. As previously mentioned, we have included homelessness in a broader strategy on Housing to ensure a coherent and effective approach.</p>			
ALTERNATIVE OPTIONS CONSIDERED: <p>The current Housing and Homelessness Strategy is coming to an end and it is a statutory requirement under the Homelessness Act 2002 for us to have a Homelessness Strategy. We could consider only adopting a Homelessness strategy, but this would not take into account the broader impact of Housing challenges across the City. For this reason, it makes sense to develop a new Housing and Homelessness Strategy for the City for the next 5 years.</p>

Title

Gloucestershire Resource and Waste Partnership

Report Of

Cabinet Member for Environment (Councillor Richard Cook)

Report Author

Dawn Fearn, Street Scene Strategy Officer

Wards Affected

All Wards

Key Decision

No

DECISION:

RESOLVED that Gloucester City Council join the new Gloucestershire Resources and Waste Partnership and delegate authority to the Waste, Recycling and Streetscene Manager in consultation with the Cabinet Member for Environment and the Council Solicitor to finalise and approve the Terms of Reference of the new Partnership.

REASON FOR DECISION:

To continue the long history of partnership working in waste management between GCC and the district councils in Gloucestershire. Government favours joined up services and there may be opportunities for further funding by working cohesively.

To ensure greater cohesion and communication across Gloucestershire, joining up services where applicable and benefitting from economies of scale.

To reduce waste at source and to continue to divert as much waste as possible to recycling, in line with the climate change and wider environmental agenda.

ALTERNATIVE OPTIONS CONSIDERED:

The following options were considered by the GJWC:

- (i) Allow the GJWC to dissolve in December 2019 and do not develop any future working partnership arrangement.
- (ii) Maintain the GJWC with the remaining partner councils
- (iii) Form a new partnership that is less formal than the GJWC and which encourages all Gloucestershire local authorities to join.

Option (i) was discounted as it was agreed by each member (voting and non-voting) of the GJWC that there was value in continued joint working on waste matters. Option (ii) was discounted by the remaining voting members of the GJWC as it was felt that with reduced membership, the GJWC would no longer add sufficient value. Option (iii) is supported by members of GJWC and outline terms and of reference for a new partnership are agreed in principle. Accordingly, the officer recommendation is to form a new Gloucestershire Resources and Waste Partnership between GCC and the district councils.

Key Decision

No

DECISION:

RESOLVED that:

Title	Business Rates- Request for Write-off Approval Over £100K		
Report Of	Cabinet Member for Performance and Resources (Councillor Hannah Norman)		
Report Author	Jon Topping, Head of Policy and Resources		
Wards Affected	All Wards	Key Decision	Yes
DECISION:			
RESOLVED that the non-domestic rates amount in paragraph 4 of the report be written off.			
REASON FOR DECISION:			
The company has entered into a Company Voluntary Arrangement (CVA). We can no longer explore our 'normal' recovery routes. We are now receiving reduced payments in line with the CVA, however, the amount being requested for write off is the residual amount which remains outstanding after the voluntary payments have been received.			
ALTERNATIVE OPTIONS CONSIDERED:			
To leave the non-domestic rate debt as outstanding, though it is highly unlikely to be recovered given that the company have entered into a voluntary agreement to repay a portion of the debt.
