How can you justify your commitment to tackling climate change by spending an extra £100m, causing exposure to immediate particular matter impacting lungs, brains, hearts, eyes locally in the context of nationally estimated deaths of 40000 a year and what are the levels of extra carbon emissions (figures required please scope 1-3); this spending on new roads in the light of your alleged active travel policy for walking and cycling is five times the spend on cycling of £20m, segregated cycling lanes and living streets worth walking down can cut the under three miles commute by 50% of those travelling to work. Building road means more motorised traffic and pollution and CO2 plus electric vehicles still emit PMs via break dust and tyre wear?

90.2 Councillor Cook noted that responsibility with highways and therefore road building sat with the County Council and acknowledged that the City Council

COUNCIL

98. NOTICES OF MOTION

98.1 Councillor Pullen proposed and Councillor Chambers-Dubus seconded the following motion:

“This council recognises the major impact the Covid 19 pandemic has had on Gloucester with virtually all areas in the city being affected. Many people have contracted the virus and too many have lost their lives with friends and families losing loved ones.

Health and welfare services have been pushed to the limit but have done a fantastic job in extremely difficult circumstances.

COUNCIL
24.03.22

The business community has been severely hit with many local companies struggling to cope.

However, the resilience and determination of Gloucester people has shone through and there has been many excellent examples of people and organisations going that extra mile to help others.

The efforts of key workers have been phenomenal and along with our outstanding NHS staff they have continued to deliver essential services and their vital role in 4 looking after us. This has been despite often extreme and very challenging circumstances.

The city has also experienced a massive community spirit with local volunteers and community organisations looking after vulnerable people and those who were isolating, ensuring they had food and other essential supplies.

The Covid pandemic is not over yet and it may be still too early to call. However, it is time to start thinking about how Gloucester marks and remembers the huge impact that Covid has had on our city, the sacrifices people have made and the sterling community effort that took place in order to cope.

It would therefore be very appropriate to create a permanent and long lasting Covid Memorial to be placed in a prominent position in the city. The memorial would remember all those who lost their lives and be a fitting tribute to key workers in essential services and the phenomenal community effort that was made.

The memorial would tell the story of how the people of Gloucester coped with the Covid pandemic so that future generations could appreciate and understand the sacrifices that were made.

Gloucester City Council should take the lead in creating the memorial but should do so in partnership with the many appropriate organisations and interested parties in the city. This would ensure a structure that was created by and representative of a wide range of people communities and organisations.

Council resolves to:

- Take the lead in creating a lasting Covid Memorial to be sited in a prominent position in the City Centre.
- Design a fitting tribute that remembers those who lost their lives and recognises the immense contribution that key workers, volunteers and community organisations made during the crisis.
- Bring together a partnership of appropriate organisations and agencies to deliver the project and draw on their resources, skills and talents.

COUNCIL
24.03.22

- Fully involve local people, communities and voluntary organisations.”

98.2 The motion was put to the vote and was carried.

98.3 **RESOLVED** that:

This Council agrees to hold an all member briefing so that councillors can consider the three options for devolution ~~and to allow the council to develop an engagement strategy.~~

This Council agrees that it should ~~support~~ **work with** the County Council **in** negotiating an option that **will not only retains the powers of this council, but one which strengthens this council’s ability to** deliver what’s best for the city of Gloucester.”

- 98.11 The amendment was accepted and thus became the substantive motion. The motion was put to the vote and was carried.

- 98.12 **RESOLVED** that:

COUNCIL
24.03.22

This Council agrees to hold an all member briefing so that councillors can consider the three options for devolution.

This Council agrees that it should work with the County Council in negotiating an option that will deliver what's best for the city of Gloucester.

- 98.13 Councillor Kubaszczyk proposed and Councillor A. Chambers seconded the following motion:

“This Council notes that it passed a motion unanimously condemning the invasion of Ukraine by the Russian Federation.

This Council recognizes that the invasion is continuing and has caused millions of Ukrainians to flee the fighting, escape the country and become refugees. Many millions more have stayed in Ukraine and have lost or will lose everything.

We note that these circumstances create huge needs amongst both those fleeing and remaining, and especially note the efforts of many, many people in Gloucester and surrounding areas who have donated huge amounts of cash to organisations established to provide help. This Council especially wants to thank those who have donated huge amounts of goods and arranged their transport to places where they can be distributed to those who need them.

This Council pledges to provide the practical help it is able to do, to those refugees who ultimately find themselves in Gloucester and encourages residents to continue to help in the generous spirit they have so far shown.”

- 98.14 Councillor Wilson proposed and Councillor Hilton seconded the following amendment:

**COUNCIL

However, Council notes with alarm the growing Ukrainian refugee crisis and the delays and hardships currently being experienced by families in the UK trying to get their loved ones to safety here. Council therefore urges the government to temporarily suspend the need for a visa for those fleeing this war so they can be reunited with their families and get the help and support they need in the UK.”

98.15 The amendment was not accepted. The amendment was put to the vote and was lost. The motion as originally tabled was put to the vote and was carried.

**APPOINTMENTS MADE AT
ANNUAL COUNCIL MEETING
MONDAY 23 MAY 2022**

**Including appointments to Committees, Consultative Forums and Working Groups
and Nomination for Chairs of Committees and Vice Chairs for 2022/23**

***NB. The appointment of Chairs and Vice Chairs to Committees
will be noted at the first meeting of each Committee***

Recommendations

Council is asked to **RESOLVE** that

- (1) The schedule of appointments of Members to Committees, Consultative Forums and Working Groups for 2022/23 be approved.
- (2) In respect of the above, the Council, in accordance with Council Procedure Rules, appoint all Members as named deputies for all those meetings (with the exception of Cabinet, Planning Committee and Licensing and Enforcement Committee) to which the Member has not been appointed.
- (3) That the nominations for Chair and Vice Chair of Committees, as set out in the schedule, be noted and that each Committee at its first meeting in the new municipal year 2022/23 confirms and appoints its Chair and Vice Chair.

The political balance calculation in respect of the total number of committee seats includes main or parent committees only. Seats on sub-committees are determined separately. In accordance with the Council's Constitution, representation on the following committees/bodies is **not** subject to political balance rules.

- Senior Appointments Committee
- Appeals Committee
- Regeneration Advisory Board
- Gloucestershire Police and Crime Panel
- Safer Gloucester Partnership
- Gloucestershire Economic Growth Joint Committee
- Gloucestershire Joint Waste Committee
- One Legal Joint Liaison and Monitoring Group
- Member Development Working Group
- Planning Policy Member Working Group
- Saintbridge Recreation Ground Management Committee

Alternative arrangements for appointments to these committees/bodies can be approved provided no Member of the Council votes against.

The number of seats held by each political group expressed as a percentage on the City Council (39) is:

Conservative	24 seats	(% of 39) = 61.54%
Liberal Democrat	11 seats	(% of 39) = 28.21%
Labour	3 seats	(% of 39) = 7.69%
Other	1 seat	(% of 39) = 2.56%

when applied to the total number of committee seats (56) seats these percentages give the following aggregate entitlement (rounded up/down to the nearest whole seat) for each Group:

Conservative	61.54% of 56 = 34 (34.46)	
Liberal Democrat	28.21% of 56 = 16 (15.8)	
Labour	7.69% of 56 = 4 (4.31)	Variance in total seats = -2

Noting that Independent Councillors, unless aligned as an independent group, have no entitlement to seats on Committees, when the same percentages are applied to the number of seats on each committee/body (assuming the committees/bodies remain the same size as in the last municipal year) they give the following provisional entitlement to seats on each committee/body, rounded up or down to the nearest whole seat:

Committee	Size	Con	Lib Dem	Lab	Other	Seat Variance
Overview & Scrutiny Committee	16	10	5	1	0	0
Planning Committee	12	7	3	1	0	-1
Licensing and Enforcement Committee	12	7	3	1	0	-1
Audit and Governance Committee	8	5	2	1	0	0
General Purposes Committee	8	5	2	1	0	0
TOTAL	56	34	15	5	0	-2

The calculation above results in a total variance of -2 seats across all committees/bodies subject to political proportionality. To reach the total available number of seats (56), as previously agreed by Council on 27 January 2022, it is proposed that allocations are adjusted as follows:

Committee	Size	Con	Lib Dem	Lab	Other	Seat Variance
Overview & Scrutiny Committee	16	10	5	1	0	0
Planning Committee	12	7	4	1	0	0

Licensing and Enforcement Committee	12	7	4	1	0	0
Audit and Governance Committee	8	5	2	1	0	0
General Purposes Committee	8	5	2	1	0	0
TOTAL	56	34	17	5	0	0

The number of seats based on proportionality and each political party's entitlement is therefore as follows:

	Provisional allocation	Entitlement to seats on committees/bodies based on proportionality/Widdicombe principles	Variation
Conservative	34	34	0
Liberal Democrat	16	17	+1
Labour	4	5	+1
Other	0	0	0

Committees subject to political proportionality
