RE: Objection to extended licensing times in Eastgate street, Gloucester.

On 31 May 2016 the Citizen newspaper ran an article stating that Butlers nightclub had applied to extend its license hours. As a resident who lives in Kiln Close (above) I am not happy with this. We already hear noises from Eastgate street and I fear that an extended license will make the situation worse. Not to mention the increased litter and anti-social behaviour. Furthermore, if an extension is granted to one venue then that could pave the way for all the rest.

If I need to place an objection online, could you please email me on: [REDACTED]
and I will do so.

Kind regards,
