Part 3 - Variation

Please tick yes

Do you want the proposed variation to have effect as soon as possible?

If not do you want the variation to take effect from

Day	Month	Year

Please describe briefly the nature of the proposed variation (Please see guidance note 1)

We have received attached letter and threats from the Police licensee officer, that we will lose licence of trading if we serve after hours aloud which is fair, when it comes to license and its permitted hours of operations but I disagree when it comes to mutual trading on the same street with other but same traders .

We have to stand on the door closed behind us and return our regular customers disappointingly to the other shops, competitor's next doors that are still trading.

We some time have to stay longer due to continuing customers in the premises ,we will be taken as not abiding law or complying with license authorised permitted, which can lead to revoking our license one day soon ,told by the licensee police officers.

I request relevant authorities for our license to be extended to at least match with any other same traders on the same street next to us, so we can get fair and equal trade for being on the same street staying awake till morning and working hard long hours to serve people who are out for the night life and we are part of that night life forced to be closed before ever one else , should not be left behind

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend
