**Local Government (Miscellaneous Provisions) Act 1982**

Dear Mr Caparlar

**Application for Street Trading Consent – Y      Caparlar, Glevum Way**

I refer to the above application for Street Trading Consent. The Council has completed its consultation and assessment process and I hereby advise that the decision of the Council is to **REFUSE TO GRANT** street trading consent for your proposal. The reasons for refusal are set out below:-

1. The siting and operation of any trader shall be such that it does not cause any problems of highway safety or obstruction to users of the highway,
2. Issues have been raised that it is likely to cause problems such as an increase in noise, smells, litter and late night disturbance and,
3. Issues have been raised that the range of food offered for sale would not promote the positive health impacts that may be taken into consideration in line with Gloucester City Council's Interim Planning Policy for Mobile Catering Units.

I do appreciate that you will be disappointed with the decision but can assure you that the decision has been made after thorough consultation and appraisal against the Council's formally adopted street trading criteria.

You do have the right of appeal against the decision. Members (Councillors) of the Licensing and Enforcement Sub-Committee will consider any appeal that is lodged. If you wish to exercise your right of appeal, please submit your appeal in writing to me within 21 days of the date of this letter.

Please note that late appeals will not be accepted. Your appeal should set out clearly the grounds on which you are appealing. I have enclosed a copy of the Councils criteria used in assessing applications for street trading consents and recommend that you address these criteria in your appeal.

Yours sincerely
