FOR GENERAL RELEASE

1.0 Purpose of Report

- 1.1 To approve the annual review of the Risk Based Verification Policy in determining evidence requirements for the assessment of new Housing Benefit and Council Tax Support claims.

2.0 Recommendations

- 2.1 Cabinet is asked to **RESOLVE** that:

- (1) the reviewed Risk Based Verification Policy for verifying Housing Benefit and Council Tax Support claims as outlined (Appendix 1) be approved
- (2) the reviewed Risk Based Verification policy as at January 2018 (Appendix 1) be approved for implementation from 1st April 2018.

3.0 Background and Key Issues

- 3.1 Risk-Based Verification (RBV) was implemented in March 2014 to apply different levels of checks to different new claims made for Housing Benefit and Council Tax Support in line with DWP guidance (HB/CTB S11/2011 Risk-Based Verification of HB/CTB Guidance)
- 3.2 The Department of Work and Pensions have recommended we review our policy following a potential impact on Local Authority error rates from the Housing Benefit subsidy claim for 2015/16.

3.3 The proposed reviewed policy will ensure that in the event of system unavailability for risk scores to be generated, a high risk approach is taken to assess the affected claims and prevent potential overpayment, fraud or error.

This circular can be found at Appendix 2. It should be noted that this policy will be the basis on which we are audited in the future and complies with the Social Security (Administration) Act 1992. Providing we comply with this policy, we will be deemed to be verifying claims in the correct way. The policy must be approved by the Council's Section 151 Officer and adopted by the Council.

9.2 Risk Based Verification applies to all New Claims for Housing Benefit and Council Tax Support.

9.3 The course of action to be taken in respect of the risk scored is governed by this policy. As such there should not be any equalities impact.
