This application to review relates to the following licensing objective(s)

| | Please tick one or more boxes ✓ |

| 2) public safety | ✓ |
| 3) the prevention of public nuisance | ✓ |

Please state the ground(s) for review (please read guidance note 2)

The police are objecting to the current licence continuing on the following grounds,

- 1) **Crime and disorder.** Failure to adhere to the conditions on the licence in relation to the sale of alcohol, closing times, anti- social behaviour and criminal damage
- 2) **Public Safety.** Failure to adhere to the conditions on the licence in relation to the sale of alcohol, disorder and fighting occurring inside the venue
- 3) **Public Nuisance.** Failure to close premises within licenced hours, loud music being played which could be heard 100 metres away.

The premises was first built in 1922-3 as a picturedrome cinema, remodelled as the Ritz in 1955 and converted to a theatre in 1986, becoming a grade 2 listed building in October 2000. The theatre aspect has been closed for some time with no drama productions taking place, but the old bar area was granted a licence in December 2005 under the premises name of OLYMPUS CAFÉ BAR, which was renewed in 2016 but is currently suspended due to non payment of the annual fee from December 2017.

The current designated premises supervisor is Arben NDREU who has indicated he wishes to stand down but still currently remains in post.

The premises was subject to a police investigation running from April to October 2017 in relation to the cultivation and supply of cannabis. The venue was a regular meeting place for the four main principle suspects and was believed to be the centre of drugs conspiracy. This culminated in several warrants being executed in August 2017 (including one at the Olympus Café). A large quantity of cash and drugs were seized from the addresses of the four main suspects, but NONE from the OLYMPUS CAFÉ itself.

At 2350 hours on the 27th January 2018 it was reported to police that a large fight involving 30 people was occurring at the premises and on police attendance a large number of people ran from the scene, which showed clear signs of a disturbance with broken glass on the floor, broken glass in internal doors and half consumed drinks around the bar area. Enquires established that the DPS Arben Ndreu was not in the United Kingdom and that a male called Elvis Unrop had been given the keys with a view to cleaning the premises up.

A police warning letter was sent to the DPS in relation to this incident (attached).

At 0015 hours on the 10th February 2018 the City Improvements Officer Mark GROVES was walking along Barton Street some 300 metres from the premises (on duty) when he became aware of very loud music coming from the premises. He attended the premises to confirm the music was from the OLMPUS CAFÉ BAR and looked through the windows to see 50+ people in attendance and the sale by exchange of cash for alcoholic drinks taking place at the bar area along with dancing and loud music. He returned at 0135 hours and the music and dancing was still continuing at this time.

The premises currently has the licence conditions of

1. Sale of alcohol is until 2300 hours every day.
2. Opening hours of the premises is midnight everyday
3. Every supply of alcohol must be made or authorised by a person who holds a personal licence.

The two breaches of being open beyond opening hours and sale of alcohol after hours on the 10th February are serious matters along with the links to named organised crime groups and its links to cannabis are all not in line with any of the licensing objectives.

The view of the Constabulary is that the premises is not being run in an appropriate manner.

A letter is attached from the Environmental Health Officer concerning the layout of the premises with regard to its noise issues to which nothing has been put in place to negate.

It is believed that a full licence revocation is required for this venue.

I am a detective constable in the Gloucestershire Constabulary.

This statement is in reference to operation Cleveland.

From April 2017 until Thursday 12th October 2017 operation Cleveland was an investigation into conspiracy to cultivate and supply cannabis and the four main principles of the operation were [REDACTED]

[REDACTED] There are also a number of other subjects of the operation who are seen as gardeners of cannabis grows within residential addresses in Gloucester, Cheltenham and Hayes.

A regular meeting place as seen by police surveillance was the Olympus café, Barton Street, Gloucester.

The OCG members would meet here daily.

Numerous visitors would attend during this time, meet with members of the OCG and then depart.

On one occasion a male called [REDACTED] attended the café and a member of the OCG was then seen to exit the café and place a laden carrier bag in his vehicle. This was believed to be cannabis.

On the Thursday 24th August 2017 a warrant was conducted at [REDACTED] address in Blenheim road, Gloucester and over a kilo of cannabis was seized following a meeting with a member of the OCG. [REDACTED] has since been charged and pleaded guilty to possession with intent to supply cannabis at Gloucester crown court.

On Wednesday 11th October 2017 [REDACTED] were all arrested for conspiracy to supply and cultivate cannabis offences, along with six further males who were arrested from addresses that were being used to cultivate cannabis.

Each growing location had approx 200 plants and the estimated street value from the cannabis plants seized on the day is between £250,000 and £750,000.

On Thursday 12th October 2017 they were all charged and remanded to Bristol magistrate's court.

I am a Police Constable serving with Gloucestershire Constabulary and currently based at Bamfurlong Operations Centre on the initial response team.

On Saturday 27th January 2018 I was on duty and in company with SC 8697 UZZELL, I was in full uniform and in a marked Police vehicle. At approximately 23:55 we were deployed by the Force Control Room (FCR) to a report of a large disturbance outside the Olympus Café on Barton Street, Gloucester. On arriving at the scene a few minutes later it was clear that there were a large group of people inside the Olympus Café but there was no fighting taking place and no persons with any obvious injury.

Also in attendance were PC 781 WALLACE and PC 2266 KEAR who were working a Street Safe shift. We all entered the bar area together and I tried to speak to some of the people who were leaving the premises. Nobody would engage with me although it was apparent from the upturned chairs and glasses that were on the floor there had been some sort of disturbance. Nobody identified themselves as being the person who had called Police and nobody identified themselves as being a manager or supervisor. There was nobody behind the bar so myself and the other officers went throughout the building to try and establish who was in charge. Again, nobody identified themselves as being responsible for the building or responded to questions about what had happened inside the café.

We removed all persons from the premises and tried to ascertain who was in charge from the licence, it showed that Martin NEDVIDEK was the person listed. A female on the premises said that it was her boyfriend who was in charge but did not provide a name, she said that she was going to get her phone from the office behind the bar and call him. The female must of exited the building from the office area as she did not return and we did not locate her within the building.

A search of the building was then carried out to try and locate the keys so that the premises could be secured, during the search it became apparent that a large quantity of alcohol had been consumed and there was very little money in the till. The keys were eventually located inside a jacket that was on one of the sofas and the property was locked up. The keys were taken to Barton Street Police Station and booked into property.

Whilst at the Olympus café no person engaged with us other than the female who left without our knowledge. It was clear that some sort of disorder had taken place due to their being a number of glasses and bottles on the floor that had broken along with upturned chairs. On arrival there were a number of people leaving through the front doors and onto Barton Street, a few males appeared to have minor injuries but were not willing to engage with Police.

Later on in the evening I was made aware that a drink driver had been arrested from the rear of Mecca Bingo, I attended to assist and recognised the male as being one of the people that had been leaving the Olympus Café when Police attended. I looked into the vehicle and could see another male and two females inside. They disclosed that they had also been at the café but had left when Police arrived.

I am employed by Gloucester City Council as a City Improvements Officer, Herbert Warehouse, The Docks, Gloucester, GL1 2EQ.

I am Duly Authorised to administer and enforce the Hackney Carriage and Private Hire fleet within Gloucester City under the provisions of the Town Police Clauses Act 1847, Local Government (Miscellaneous) Provisions Act 1976 and Local Bye Laws.

I have held this position since January 2018.

I produce a copy of my authorisation (Exhibit MG1)

On Saturday 10th February 2018 I was on duty carrying out Premise Licence visits and Hackney and Private Hire enforcement in the area of Gloucester City Centre. At approximately 00:10hrs I was walking along Barton Street, Gloucester at this time looking for Hackney and Private Hire Vehicles that would be using this road and who may be committing offences under the Highway code or under the provisions of the Town Police Clauses Act 1847, Local Government (Miscellaneous) Provisions Act 1976 and Local Bye Laws.

Signed: 

When I looked through the window and observed the bar I saw a male open the till and take out a large quantity of English bank notes where he counted them below the level of the bar before placing some back into the till and walking off with the remainder. I then left the area after a few moments longer.

On the evening of the 10th February 2018 I was again on duty performing my duties as a City improvements Officer enforcing the Hackney Carriage and Private Hire fleet within Gloucester City under the provisions of the Town Police Clauses Act 1847, Local Government (Miscellaneous) Provisions Act 1976 and Local Bye Laws.

When at approximately 22:52hrs I again walked passed the Olympus Café when on this occasion the lights were on again inside there were a number of people sitting at the bar and there was a male and female member of bar staff behind the bar. I could see that the customers had drinks by them which appeared to be bottles of lager or beer and also I saw the male bar staff making himself an alcoholic drink from the optics and I saw the female get herself a Coca Cola from the fridge. On this occasion I did not see any money changing hands and there was no music playing on this occasion. The sign on the door claimed that the premise was open for business. I then left the area to carry on with my duties.

Monday, 12th February 2018

Dear Mr Arben NDREU

I wish to draw your attention to the following incident which occurred on the 27th January 2018. Police attended a report of a large fight at your premises at 2350 hours with clear signs of a disturbance having occurred with broken glass bottles on the floor, broken windows in an interior glass door. The bar was in disarray with half full bottles of beer and the majority of 30 persons having run out of the rear of the premises and dispersed.

After the incident I spoke to you and established you were not in the country and the person in charge Elvis UNROP was authorised to clean up the premises not to supply alcohol and in fact he was not present when the police searched the premises, when eventually located he stated he was not in charge and had been drinking beers at the premises and elsewhere. I would point out the following conditions on your license

1. Sale of alcohol is until 2300 hours every day.
2. Opening hours of the premises is until Midnight every day.
3. Every supply of alcohol must be made or authorised by a person who holds a personal licence.
- 4.

I believe points 1 & 3 have been breached and that point 2 would have been breached had the police not attended.

I would also remind you of your obligations under the licensing act 2003

1. The Prevention of crime and disorder
2. The prevention of public nuisance

Again I do not feel you have met these obligations based on the above.

I wish you to note that the breaches are now formally recorded on police systems and a copy of the same has been submitted to the Council licensing authority.

This letter therefore is a written warning and affirms the seriousness with which the Constabulary views the breaches to your licence in the hope that you will address the issues in a more responsible fashion. Any further issues will result in a formal review process being undertaken with a view to removing the premises licence completely.

Yours Sincerely,

Pc 1156 Hammond
Licensing Officer, Gloucester & Forest.
