

**APPOINTMENTS MADE AT  
ANNUAL COUNCIL MEETING  
MONDAY 20 MAY 2019**

**Including appointments to Committees, Consultative Forums and Working Groups  
and Nomination for Chairs of Committees and Vice Chairs for 2019/20**  
***NB. The appointment of Chairs and Vice Chairs to Committees  
will be confirmed at the first meeting of each Committee***

**Recommendations**

Council is asked to **RESOLVE** that

- (1) The schedule of appointments of Members to Committees, Consultative Forums and Working Groups for 2019/20 be approved.
- (2) In respect of the above, the Council, in accordance with Council Procedure Rules, appoint all Members as named deputies for all those meetings (with the exception of Cabinet, Planning Committee and Licensing and Enforcement Committee) to which the Member has not been appointed.
- (3) That the nominations for Chair and Vice Chair of Committees, as set out in the schedule, be noted and that each Committee at its first meeting in the new municipal year 2019/20 confirms and appoints its Chair and Vice Chair.

---

The political balance calculation in respect of the total number of committee seats includes main or parent committees only. Seats on sub-committees are determined separately. In accordance with the Council's Constitution, representation on the following committees/bodies is **not** subject to political balance rules.

- Senior Appointments Committee
- Appeals Committee
- Regeneration Advisory Board
- Gloucestershire Police and Crime Panel
- Safer Gloucester Partnership
- Gloucestershire Economic Growth Joint Committee
- Gloucestershire Joint Waste Committee
- One Legal Joint Liaison and Monitoring Group
- Member Development Working Group
- Planning Policy Member Working Group

Alternative arrangements for appointments to these committees/bodies can be approved provided no Member of the Council votes against.

The number of seats based on proportionality and each political party's entitlement is therefore as follows:

	Provisional allocation	Entitlement to seats on committees/bodies based on proportionality/Widdicombe principles	Variation
<b>Conservative</b>	31	31	0
<b>Labour</b>	14	14	0
<b>Liberal Democrat</b>	10	10	0
