- The plan followed established design principles which were considered appropriate for the site.
- The number of parking spaces were suitable for the site.

**Members' Debate**

- A Member stated that on balance he was in favour of the application as there was a need for this type of accommodation in the City.
- Several Members agreed that the design was largely to be welcomed.

The Chair moved and the Vice-Chair seconded the Officer's recommendations.

**RESOLVED that:** - Planning permission is granted subject to the conditions outlined in the report.

**6. RIKENEL - 17/01127/FUL**

**An agent spoke against the Officer recommendation to refuse planning permission.**

The Senior Planning Officer presented the report detailing an application for the demolition of existing day centre and erection of a 3 storey building containing 12 number 1-bedroom flats for adults with physical or learning disabilities.

The Planning Development Manager responded to members' questions as follows:

- Whilst there was a need specialist accommodation for people with learning and disability needs, the proposed plan in the application did not meet that need.
- Moreover, the application was contrary to the relevant policy in planning law and was not supported by the Adult Social Care Commission.
- The Council had been considering the application since 2017, yet it still required significant changes which would likely take longer than a month.

**PLANNING COMMITTEE**  
**02.02.21**

- Some Members believed that there was a need for this type of accommodation, and suggested that the application could be deferred.

Councillor Hyman proposed and Councillor Walford seconded a deferral of the application.

The Chair then proposed, and the Vice-Chair seconded a motion to refuse the application.

**RESOLVED that:** - the application is refused.
