

## LABOUR GROUP AMENDMENT

### ITEM 9 – CLIMATE CHANGE STRATEGY

Council is asked to **RESOLVE**

- (1) That following the implementation of 2.1 (1) and (2) above, the actions contained in the CLS report (Appendix 1) are adopted as a plan for achieving the goal of net zero carbon emissions by the city council by 2030.
- (2) The steps needed to move the whole City towards carbon neutrality by 2050 are noted as per the appendix report, and that officers continue to develop this city-wide action plan.
- (3) **That a detailed action plan based on the CLS report setting out milestones, timescale, resource implications and financing arrangements be prepared and submitted to the Cabinet at the earliest possible opportunity.**
