## FOR GENERAL RELEASE

### 1.0 Purpose of Report

- 1.1 To provide an update to Cabinet on the support offered to current and former members of the armed forces, reservists and their families as part of our commitment to the Gloucestershire Armed Forces Community Covenant ('the Covenant').

### 2.0 Recommendations

- 2.1 Cabinet is asked to **RESOLVE** that:

- (1) Work undertaken to support current and ex-service personnel as part of the Council's ongoing commitment to the Covenant be endorsed.

### 3.0 Background and Key Issues

- 3.1 An Armed Forces Covenant exists between the people of the UK and the Armed Forces and their families. It lays out the principles that should exist in the relationship between the Armed Forces and the rest of the Nation, including respect, support and fair treatment. It makes clear that no-one who has served should face disadvantage from their service and that, in some cases, special consideration is appropriate.
- 3.2 A Gloucestershire Armed Forces Community Covenant ('the Covenant') stands alongside the Armed Forces Covenant and is a voluntary statement of mutual support between the people of Gloucestershire and the local Armed Forces community. In March 2022, Gloucestershire County Council hosted a re-signing of the Covenant following a motion from the County Armed Forces Champion, Councillor Andrew Gravells. The Covenant was re-signed by all of the original signatories as well as several Parish and Town Councils, 10 years to the day

of the first signing, to highlight the continued commitment to the armed forces community.

- 3.3 Through its membership of the Covenant, Gloucester City Council has made a commitment to the wider Armed Forces Covenant, to support the Armed Forces community within Gloucester and the wider County. Cllr Collette Finnegan represents the Council as its Armed Forces Champion, and this position is appointed to (or re-appointed to) annually by the Council. In addition, we now have an Armed Forces Officer Champion and an operational Lead Officer based in the Community Wellbeing Team. They will be working towards several outcomes this year and liaising regularly with partners.
- 3.4 In following these commitments, the Council is involved in a number of areas to support the Armed Forces, their families and those who have served to be a part of the wider community. The aims of the Covenant are as follows –
- Encourage local communities to support the Armed Forces community in their areas.
  - Encourage the Armed Forces community to help and support the wider community, whether through participation in events and joint projects or other forms of engagement such as volunteering.
  - Promote understanding and awareness among the public of issues affecting the Armed Forces community.
  - Recognise and remember the sacrifices made by the Armed Forces community at many annual events.
  - Encourage activities which help to integrate the Armed Forces community into local life.
- 3.5 The 2011 census results indicated that over 300 serving members of the military were living in Gloucester at the time of the survey, not including partners or children. The results of the 2021 census are being released in phases. Phase 1 of the topic summaries, that includes the number of armed forces veterans, will be available in October 2022 and will provide us with a more accurate picture.
- 3.6 In January 2019 the Ministry of Defence estimated that by 2028 there will be 1.6 million veterans living in the UK with over a half of all veterans being aged 65 or older and 87% of all veterans being male.
- 3.7 Gloucestershire is home to 18 Army Cadet detachments with 2 of these being located in Gloucester, namely - Malmesbury Road Platoon and the Gloucestershire ACF Band & Corps of Drum.
- 3.8 In the previous 12 months, 10 individuals who identified as service or ex service personnel have been re-housed in Gloucester through the Gloucestershire Homeseeker Choice Based Lettings Scheme. The reasons for re-housing were as follows; downsize to non-family home (1), homeless or

threatened as homelessness (4), low housing need (1) and significant or urgent medical warfare (4).

- 3.9 The armed forces bill of 2006 was renewed in 2021 and makes provision for a further period of five years, ending no later than 2026. Now known as the Armed Forces Bill 2021, it requires the council to pay due regard to the principles of the Armed Forces Covenant in terms of housing.
- 3.10 We are required to comply with the Code of Guidance on Homelessness 2018 and have regard to armed forces personnel in our housing allocation scheme. In addition, we are committed to improving housing outcomes for members and ex-members of the armed forces. The countywide Homeseeker plus allocations policy gives additional preference in terms of re-housing armed forces members. Members of the armed forces have a local connection to the district of their choice. This greater level of choice evidences the additional preference afforded to those who are serving or have recently served in the armed forces.
- 3.11 In addition to any duties owed under the homelessness legislation, on discharge, members of the armed forces with Homeless priority need (i.e. dependent children or vulnerable as a result of disability) will be awarded Gold band for 6 months from the discharge date. Those that are homeless with a non-priority need are given Silver band from their discharge date. Should they become homeless again within 5 years of the discharge priority need or unintentionally homeless applicants will be awarded Gold band again for 6 months from Notice being received.
- 3.11 The 'duty to refer' applies to the Ministry of Defence under the Homelessness Reduction Act 2017, therefore they are required to refer any service personnel facing homelessness within 56 days to the local housing authority. This enables access to housing services as early as possible in the process and increase access to social housing.
- 3.12 The charity Alabare run a 12-bed home for veterans based in Longlevens which is the second of their Gloucestershire properties.
- 3.13 A list of specific measures that the Council implements in support of the Covenant is included at Appendix 1 and covers areas such as housing advice & support, enabling and supporting events and charitable causes and access to Council services. It is these customer facing aspects of the Council which are likely to be more relevant to our Armed Forces.
- 3.14 The Council is also represented by Councillors and senior officers at several annual events to mark a range of important dates such as Remembrance Day but also events to celebrate our local armed forces community operating out of Imjin Barracks. In November 2021, the city council events team supported the Royal British Legion in delivering a successful Remembrance Day memorial service. In June 2022, the Gloucester Armed Forces Day made a welcome return to the Docks. It brought together multiple charities, organisations and services and was well attended by local people. In addition to providing support with the organising and delivery of key dates, the Council recognise both the

historical and ongoing sacrifices and efforts of our armed forces with the flying of flags outside North Warehouse and social media campaigns.

3.15 Our District Council partners in addition to Gloucestershire County Council are also signed up to the Covenant and continue to work together to improve how councils can collaborate as a network, with a particular focus on -

- 1) Identifying where contributions can be made to the South-West Regional Development Project.
- 2) Obtaining a better understanding of the needs of children and young people in the armed forces community.
- 3) Understanding our workforces better in terms of their connection to the armed forces.
- 4) Aligning our services and sharing resources to increase the support available to veterans and their families

3.16 The Armed Forces Community Covenant Meeting, organised by Gloucestershire County Council, meets quarterly.

3.17 The Community Wellbeing Team are connected to relevant charities, organisations and other agencies to discover how the council can work in partnership to better support the armed forces community. Most notably, Walking With The Wounded, SSAFA (Soldiers, Seamen, Airmen and their Families Association), Gloucester Community Networking and the Occupational Therapy team at Gloucestershire NHS Trust. Through these connections, the Community Wellbeing Team are able to;

- Support the mental health of injured veteran's by matching them into meaningful volunteering opportunities
- Help integrate veterans and their families into their local community through community building activities
- Enhance the support of SSAFA and the Occupational Therapists by linking them to other resources and services such as the Community Wellbeing Agents who have access to schemes such as exercise on referral at Aspire Leisure Centre

3.18 There are several mental health organisations represented at the armed forces community covenant partnership meeting. This provides the council with close links to vital counselling and therapy services which officers can refer veterans and their family members to, if necessary. The council also works closely with the community wellbeing agents and social prescribers who can support with low level mental health conditions.

3.19 The Council's website which was updated this year, includes a page dedicated to information about the support we offer to Armed Forces Personnel and veterans and includes resources and links to other pages.

3.20 The council applied for the Bronze Defence Employer Recognition Award in Spring 2022. The Defence Employer Recognition Scheme (ERS) encourages employers to support defence and inspire others to do the same. The scheme

encompasses bronze, silver and gold awards for employer organisations that pledge, demonstrate or advocate support to defence and the armed forces community, and align their values with the Armed Forces Covenant. In order to achieve bronze, organisations must;

- pledge to support the armed forces, including existing or prospective employees who are members of the community
- must have signed the Armed Forces Covenant
- promote being armed forces-friendly and be open to employing reservists, armed forces veterans (including the wounded, injured and sick), cadet instructors and military spouses/partners.
- Hold policies which enable reservists, cadet instructors time off to train and volunteer

The council were awarded bronze in Spring 2022 and hope to achieve Silver in 2023.

- 3.21 As stated above, the Council holds a Military Reservist Policy as well as a Special Leave Policy which provides staff with time off in respect of periods of mobilisation. These policies are easily accessed on the staff intranet.
- 3.22 A staff survey was created to discover if the council need to better support veterans, reservists, or staff who have family members currently serving. Only 16 staff completed the survey and amongst the respondents, 2 officers have relatives currently serving, 8 are related to veterans and 6 have no connection at all. There were some useful suggestions around mental health and apprenticeship schemes which have been fed into the Armed Forces Partnership. The same survey will be open to staff in October 2022 along with key findings from the 2021 Census.
- 3.22 Gloucestershire County Council has access to a free online training program for front line services on armed forces awareness. This is so staff can effectively sign post and ensure the right support is being provided. This training is regularly promoted through the staff intranet and social platforms.

#### **4.0 Social Value Considerations**

- 4.1 For the Armed Forces Community, the Covenant encourages the integration of service life into civilian life and encourages members of the Armed Forces community to help their local community.

#### **5.0 Alternative Options Considered**

- 5.1 There are no alternative options for consideration

#### **6.0 Reasons for Recommendations**

- 6.1 The Council are committed through the Gloucestershire Armed Forces Community Covenant to work in partnership and act together to honour the covenant. The council encourage support for the Armed Forces Community working and residing in the City and work to recognise and remember the sacrifices that they have, and continue to make.

## **7.0 Future Work and Conclusions**

- 7.1 A recent action from the Armed Forces Partnership is the creation of an Armed Forces Hub. A place where the armed forces community can access specialist support and guidance. Gloucester Community Networking are the lead organisation for the project and the council will support as necessary.
- 7.2 Following the success of the Defence Employer Scheme Bronze Award, the Council plans to apply for the Silver Award which in addition to the requirements of the Bronze Award involve:
- the employer must proactively demonstrate that service personnel/armed forces community are not unfairly disadvantaged as part of their recruiting and selection processes
  - the employer must actively ensure that their workforce is aware of their positive policies towards defence people issues. For example, an employer nominated for support to the Reserves must have an internally publicised and positive HR policy on Reserves
  - within the context of Reserves the employer must have demonstrated support to mobilisations or have a framework in place. They must demonstrate support to training by providing at least 5 days' additional unpaid/paid leave (wherever possible not to Reservist employees' financial disadvantage)
  - the employer must not have been the subject of any negative PR or media activity
- 7.3 Supporting the VCS with events to mark key dates in the armed forces calendar.
- 7.4 Gloucester City Council remains committed to our Armed Forces community and an annual update report for Cabinet will continue to be provided each autumn.
