

Cheltenham, Gloucester and Tewkesbury

Community Infrastructure Levy Joint Committee

Terms of Reference

Introduction

Cheltenham Borough Council, Gloucester City Council and Tewkesbury Borough Council worked together to produce the Cheltenham, Gloucester and Tewkesbury Joint Core Strategy (2017) (the JCS) as the overarching strategy to guide the development of their area. The three councils (the member councils) have agreed to pool the receipts received from the Community Infrastructure Levy (CIL) with the aim of working together to achieve the objectives of the JCS.

To facilitate an open and transparent joint approach to the governance of the application of CIL receipts the member councils have resolved to establish a joint committee.

Purpose

The Community Infrastructure Levy Joint Committee (the “Committee”) shall work jointly and collaboratively to advise the member Councils on CIL generally and make decisions on bids for CIL monies that have been pooled by the constituent Councils. The member Councils of the Committee are charging authorities for the purposes of the Community Infrastructure Levy Regulations 2010 (as amended) (the “CIL Regulations”). The Committee shall consider how community infrastructure levy (CIL) receipts should be spent to support the development of the Council’s area, in accordance with Regulations 59(1) and 59(3) of the CIL Regulations.

Regulation 59(1) of the CIL Regulations provides (1) that charging authority must apply CIL to funding the provision, improvement, replacement, operation or maintenance of infrastructure to support the development of its area.

Regulation 59(3) of the CIL Regulations provides that a charging authority may apply CIL to funding the provision, improvement, replacement, operation or maintenance of infrastructure outside its area where to do so would support the development of its area.

The member councils believe that working together to pool CIL receipts for the development of infrastructure within their collective administrative areas will support the delivery of their shared objectives as set out in the JCS and consequently will support development within their respective areas in accordance with Regulation 59(3) of the CIL regulations.

The Pooled Fund

In recognition of the joint approach the member councils have agreed Infrastructure Funding Statements (IFS) and Infrastructure Lists (IL) which identify infrastructure priorities that are consistent with the objectives of the JCS and their localities to support development across the JCS area.

It is the intention of the member councils to pool 100% of the CIL receipts they receive net of any CIL receipts which are either passported to local councils or are allocated by the member councils to their individual neighbourhood CIL funds in accordance with Regulation 59A of the CIL regulations.

Notwithstanding the agreement by the member councils to pool 100% of their net CIL receipts, it is recognised by the member councils that the IL's agreed by the member councils may contain infrastructure projects which are of greater importance to one member council, notwithstanding that but the project is of benefit to the JCS area as a whole. There may from time to time be exceptional circumstances where specific infrastructure is identified as a new priority for one or more councils. Where this occurs, this will be presented to the Joint Committee for consideration.

Any member council that considers it is no longer appropriate for the member councils to pool 100% of their net CIL receipts shall be able to trigger a review of these terms of reference in accordance with the Governance section appearing herein below.

The Role of the Joint Committee

The Committee shall:
